## Personal Statement

Growing up poor in a single parent family in rural Southwest Virginia made me value family and hard work. I worked hard to get through dental school. I returned home to serve the community and raise my family. I have given back to rural Southwest Virginia and will continue to for a long as I am able.

## Dental Professional Experience

### **Doctor of Dental Surgery/Sole Owner, *Marlon A. Goad, DDS, P.C.* | 1991-Present**

Creating treatment plans to maintain or restore the oral health of patients in an Appalachian community that suffers due to both socioeconomic status and geographic location. Utilizing a general dental practice in order to promote a healthy and safe oral restoration within the community and specializing in family, cosmetic dentistry, orthodontics, and implantstop.

### **Guest Dental Instructor, *Wytheville Community College Hygiene Program* | 1992-Present**

Providing excellent classroom management and creating a professional learning environment while overseeing hygienist work, patient treatment, job placement, and conducting guest lectures as needed.

### **Chairman of Dental Hygiene Board, *Wytheville Community College Hygiene Program* | 1995-Present**

Providing professional help to mentor and oversee the hygiene program while recertificating the hygiene program.

### **Sole Contract Dentist, *Southwest Virginia Training Center for Mentally Handicapped* | 1986-2018**

Set up protocols in a timely and professional manner while advising the staff and peers on how to treat the handicapped.

### **Doctor of Dental Surgery/Partner, *Jones & Goad Dentistry* | 1985-1991**

Providing exceptional and timely treatment plans for the community's oral health while specializing in family, cosmetic dentistry, orthodontics, and implants.

### **Part Time Clinical Instructor, *Medical College of Virginia/Virginia Commonwealth University* | January 1985- May 1985**

Graduating in the top 15% of my class gave me the opportunity to teach classes at the university. There, I used my knowledge to mentor students and instruct classes.
